Winter Storm

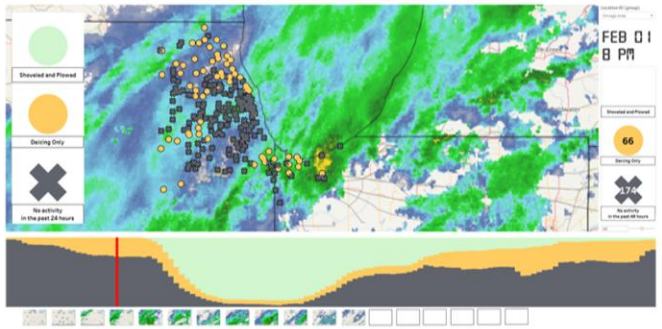
Client presentation used to help understand vendor performance.

Tuesday evening

February 1 8pm

By 8pm, snow is coming down at about a half-inch per hour. About 66 branches have received pre-treatment & de-icing.

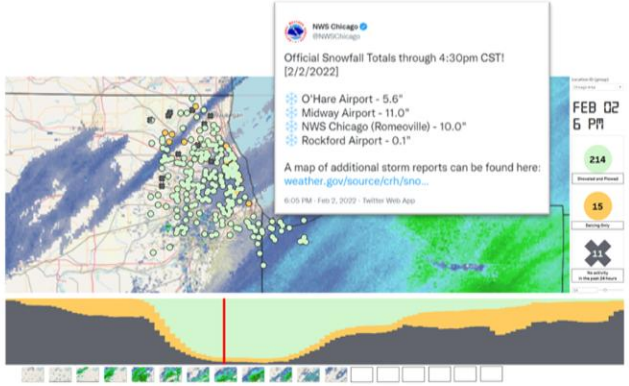
Forecast from the National Weather Service calls for snowfall south of the city of 12" or more through Wednesday.

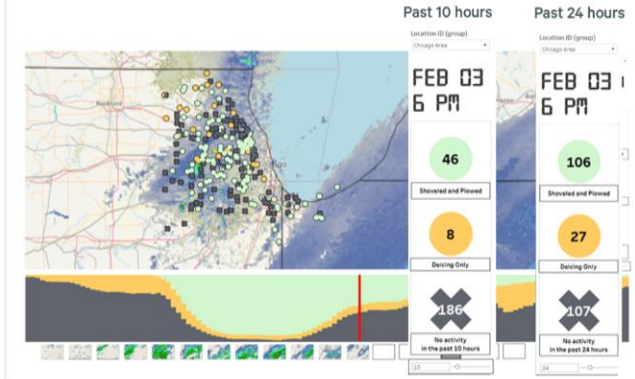


Wednesday Afternoon

February 2 – 6pm

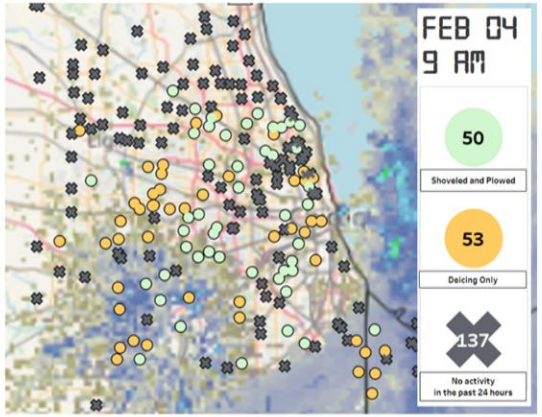
It's been snowing all day and Chicago locations have been open for business. Looking

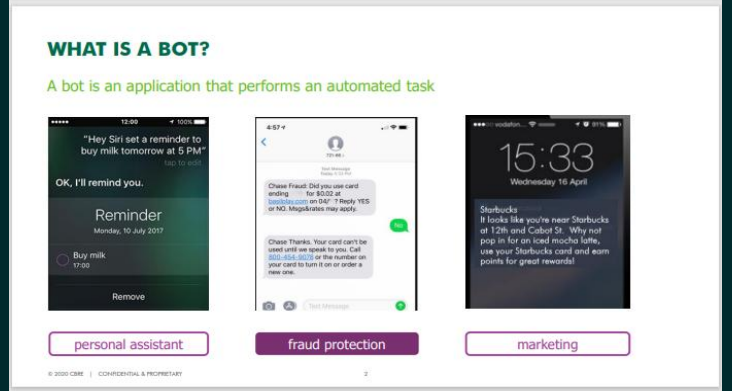


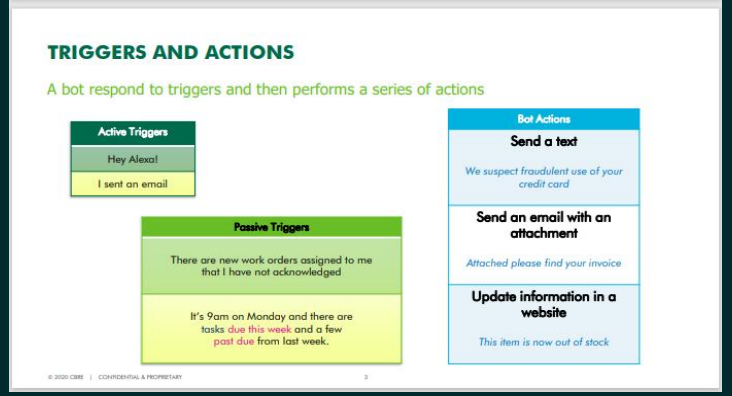


Friday morning,

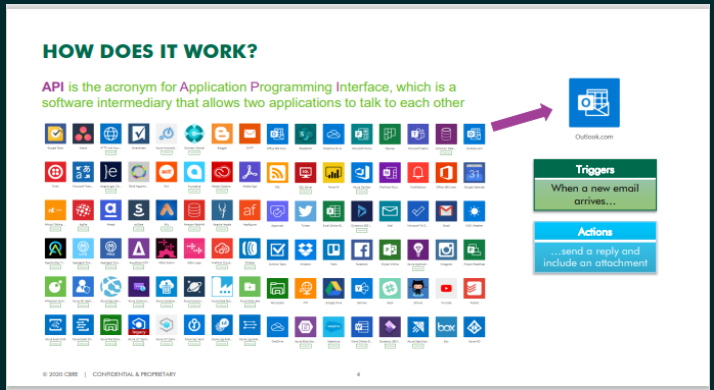
February 4 – 9am

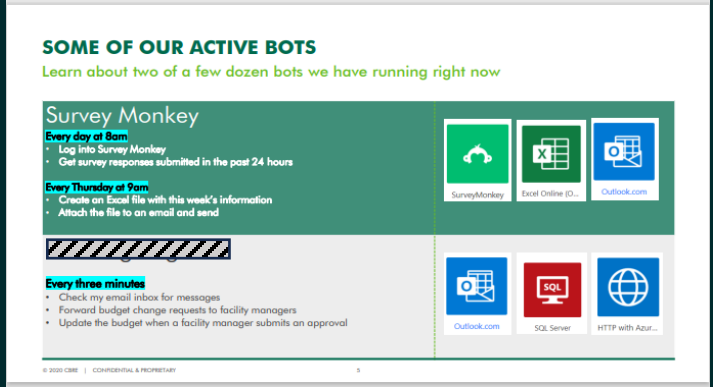


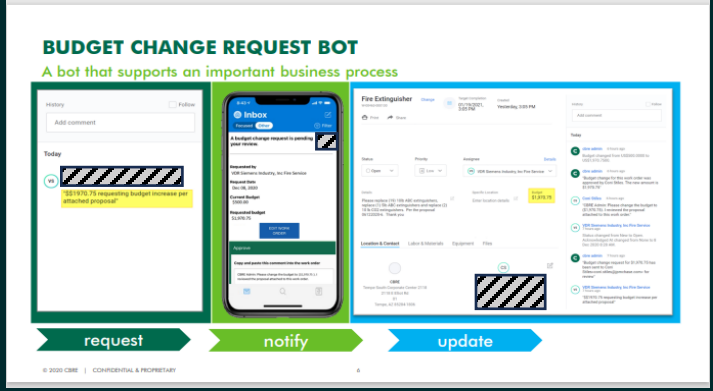


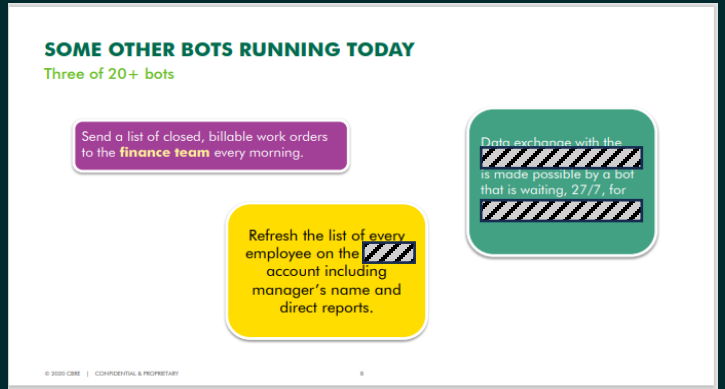


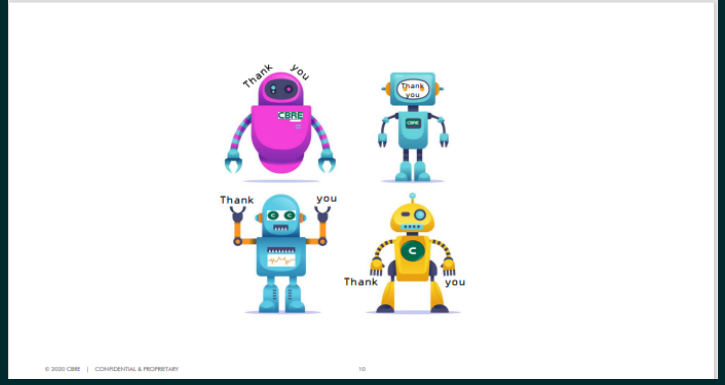
This presentation was made to account leadership to explain some of the tools and techniques used in solution development

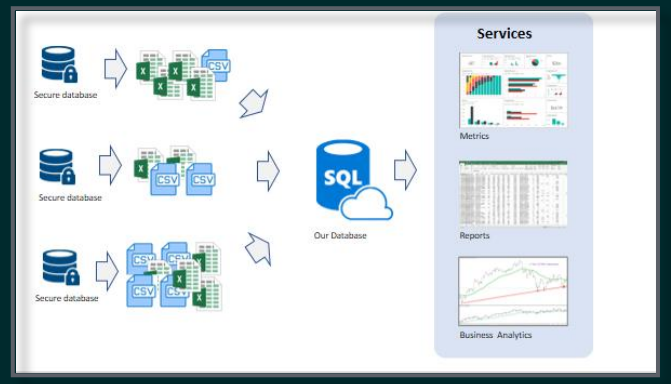


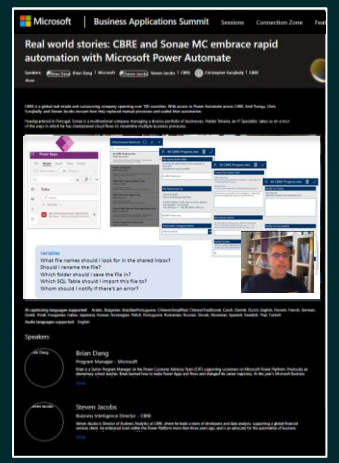


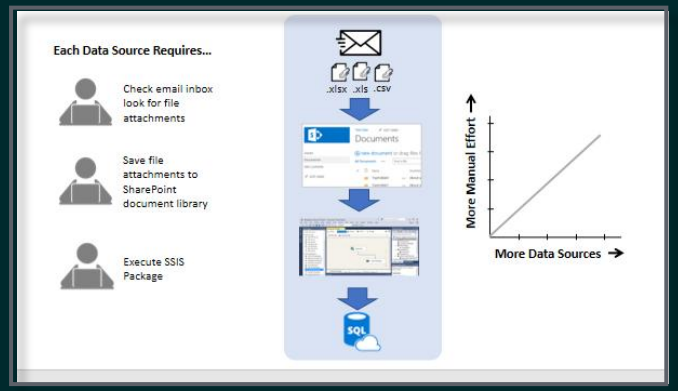


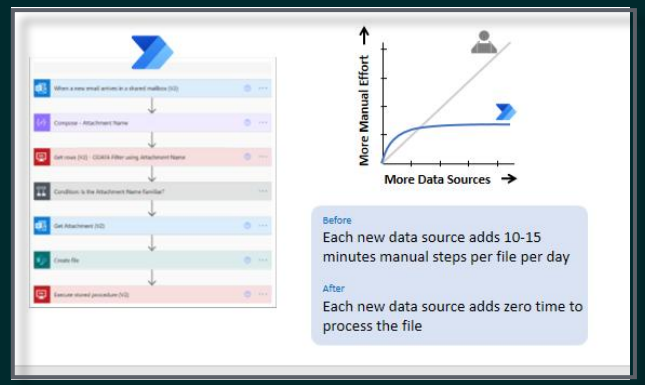


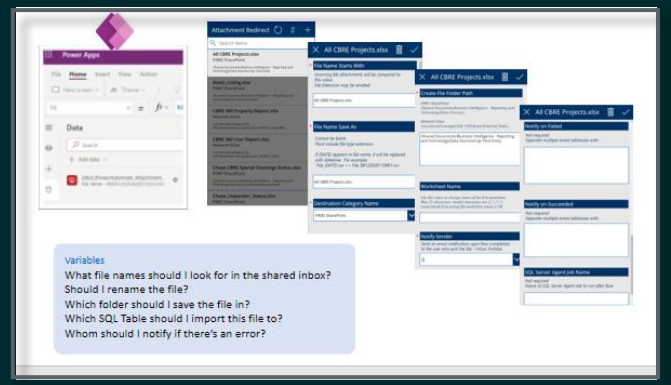












An invitation from the Microsoft Power Custom Advisory Team resulted in this recorded presentation for Real World Stories at the 2021 Microsoft Business Applications Summit, made available to attendees during the three-day event.

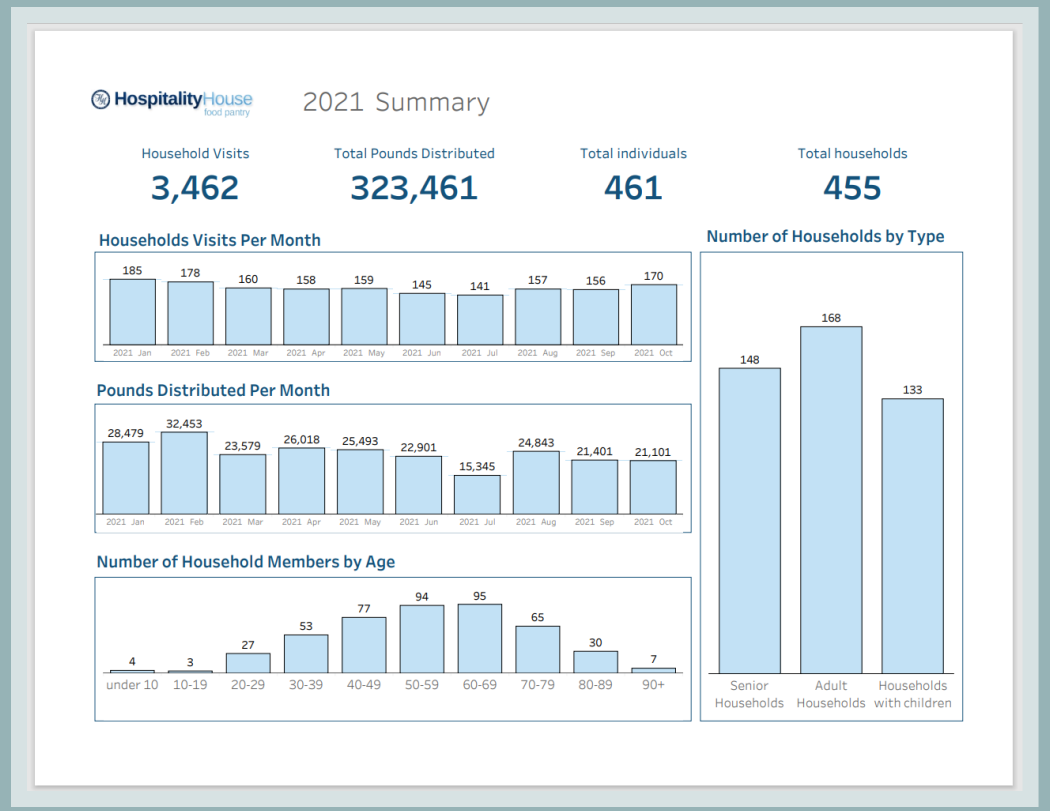
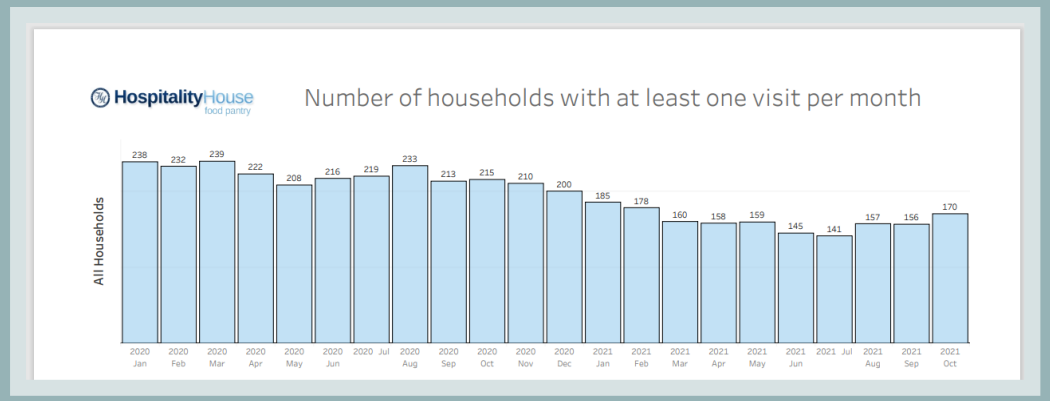
Dashboards on this page were made using Tableau





Several months of volunteer time and working with the head of a local food pantry resulted in these dashboards. The ask was to help understand their client base and to consider opening more than two days per week.

	Senior Households	Adult Households	Households with children	All Households
always visits on Saturday (100% of visits)	10 Households	5 Households	3 Households	18 Households
most of the time (more than than 60% of visits)	16 Households	13 Households	16 Households	45 Households
sometimes (between than 20-60% of visits)	11 Households	5 Households	10 Households	26 Households
rarely (fewer than 20% of visits)	35 Households	18 Households	12 Households	65 Households
has never visited on Saturday	37 Households	23 Households	26 Households	86 Households
